The Continuing Medical Education (CME) activity identified above has received accreditation from the:

European Board for Accreditation in Pneumology (EBAP)

4, Ave Ste-Luce
1003 Lausanne

European Accreditation

European accreditation is granted by EBAP following the EACCME standards (D9908) in order to allow participants to validate the credits obtained at this activity in their home European country.

Number of hours

Following EBAP's evaluation, the above-mentioned CME activity has been accredited by EBAP for **15 European CME credits covering the whole program**. The result of EBAP evaluation has been sent to EACCME today. EACCME will let you know their final decision regarding your European accreditation request through their online accreditation platform.

Quality control

By accepting the European Accreditation the provider accepts the quality requirements for CME activities as agreed upon by EBAP.

Yours sincerely,

Sandy Sutter
EBAP co-ordinator
